

Insist on X-Cite®

Exclusive offer for Post-Doctoral Research Day attendees!

X-Cite® systems are used in labs worldwide for applications ranging from routine fluorescence assays to advanced live cell and quantitative imaging. As an attendee of the Post-Doctoral Research Day, we are pleased to provide you with **1,000 EXFO Dollars*** to use towards your next purchase of an X-Cite® system.

To take advantage of this offer, refer to **promotional code PD0209**.

*Valid on any orders placed before May 29, 2009. Direct orders of illumination systems only. Other conditions may apply.
